## I LIKE...

- Spending time with you.
- Playing with other dogs my size or slightly bigger, but not so big they could squish me.
- Snuggle and hide in the cozy blankets.
- Car rides.
- Going for walks. I love to go fast so you will need to work with me on my leash manners.
- Playing with my toys, but I hate sharing so we should probably also work on that too together.

## AND NOW A FEW WORDS FROM ME...

Hello and bonjour! My name is Ahsoka, a warrior from Star Wars. I'm a sweet girl who likes to be with her foster mom. I like to play with others dogs but my foster siblings are too old and they prefer to be quiet. I like to relax next my humans while they watch TV. I love to curl up on your lap or bury myself under the blankets. I'm almost always happy. The only time I get upset is when another dog comes too close to my human when I am on her lap. I also don't really like to share my toys. I know that I have to learn to share. My foster mom tells me that I'm a good listener because when she says no, I obey. I'm looking for a wonderful human to love and care for me, and to teach me to be a good doggie citizen. Will you be that lucky someone?

## I AM...

- Cuddly
- Affectionate
- Curious
- Sweet
- Playful
- Shy
- French speaking but soon to be bilingual

## AND NOW A FEW WORDS FROM MY FOSTER FAMILY...

Ahsoka is a sweet girl and a bundle of love. She is friendly after a proper introduction but will bark at first. She is housetrained but needs to be monitored regularly and kept on a schedule. She sleeps in her bed at night but would prefer to sleep on the big bed. She tries to sneak up onto the big be but when told 'no', she returns to her bed. She is very happy when we go for a walk or a car ride. She will need more leash training as she likes to run and pull on the leash. We believe she was crate trained in her previous home although she prefers to sleep in her bed and we have had no issues. Ahsoka was surrendered from a French speaking home, but we are working on communicating with her in French and in English. She is a sweet dog and we have really enjoyed having her in foster care.
