And now a few words from me:

Hi! We're Lenny and Squiggy, just like that fictional musical duo on the 1970s television sitcom "Laverne & Shirley"! I'm Lenny, and I love to hang out with my humans, play with my brother Squiggy, and go for walks. I'm easy going, enjoy gnawing on my leather toy, and if there are treats available, I'm all in! My brother Squiggy is also a friendly guy who loves to be close to his humans. He needs to be near me and loves to play rough, which I don't mind. He also enjoys the snow, going for walks and riding in the car. If you think you're up for double the fun, we should meet!

And now a few words from my foster family:

Just look at these handsome fellas! They love to be with their people, and one another. It's safe to say that whatever Lenny does, Squiggy will follow. Both boys are food motivated, enjoy their toys (although Squiggy can be a bit possessive of his toys), and enjoy the outdoors. They bark loudly at unknown noises, so would not be suitable for an apartment. They happily sleep together on the floor in their foster dad's room. We are feeding them separately to ensure that Lenny doesn't eat his food and Squiggy's too! All in all, they are a delightful duo that will thrive once they settle into their new home.

Medical Note: Squiggy and Lenny have been fully vetted, including neutering and dentals.
